## STUDENT PARKING PERMIT FORM

Bells ISD provides the opportunity for students, who have a valid driver's license and proof of insurance, to obtain a parking permit from the campus front office. This should be viewed as a privilege, which carries additional expectations for the students involved.

The parking permit can be revoked for irresponsible and inappropriate behavior involving the student's vehicle, or for violating the **DISTRICT RANDOM DRUG TESTING POLICY**. To be eligible for a parking permit the student and parent, or legal/guardian, must sign this form indicating their consent and voluntary agreement for the student to be a part of the District Random Drug Testing policy, and agreeing to abide by District policy on parking and parking permits as contained in the **Student Handbook** (<https://www.bellsisd.net/page/forms-handbooks>).

Students who wish to park a motor vehicle on District property during school hours must request a parking permit from the campus front office, present a valid driver's license, proof of insurance, and pay a \$5.00 fee prior to operating the vehicle on District property. The parking permit must hang face forward with an unobstructed view, on the inside rear-view mirror at all times students are in the BHS parking lot.
