The screenshot shows the login interface for DIETing_LAB, a Digital Lab for Education in Dietetics. The page features a logo with a stylized 'E+' and three colored dots (blue, yellow, orange) connected by lines. Below the logo, there are two input fields: one for the username (containing 'patient_3') and one for the password (containing 'Password'). A blue 'Log in' button is positioned below the password field. To the right of the 'Log in' button is a link for 'Lost password?'. Below these elements is a section titled 'Is this your first time here?' with the subtitle 'Instructions forgotten password' and a button labeled 'Create new account'. At the bottom left, there is a language selector set to 'English (en)' with a dropdown arrow, and at the bottom right, there is a 'Cookies notice' button. Three red arrows point from the text on the left to the 'patient_3' input field, the 'Log in' button, and the 'Create new account' button respectively.

Binnen een kliniek

De kliniek bestaat uit drie afdelingen:

Welkom, Reserveringen En Bezoekkamers

Er zijn twee belangrijke hulpmiddelen: **APlanner** waar u een bezoek kunt boeken en **bezoekkamers** waar een live bezoek plaatsvindt.

Een bezoek plannen

U ziet mogelijk beschikbare slots. Zo niet, dan moet de voedingsdeskundige van de kliniek ze mogelijk aanmaken voordat u er een kunt boeken.

Wanneer een tijdslot actief is, kunt u een afspraak boeken als patiënt (wanneer u als patiënt optreedt) of als Voedingsdeskundige (wanneer u optreedt als praktiserend voedingsdeskundige)

Een echte voedingsdeskundige zal het interview afnemen.

U ontvangt een dag voordat de vergadering begint een e-mailmelding.
