- Seals keep it running smoother, for longer

## RS PRO 6mm Miniature Ball Bearing 19mm O.D

RS Stock No.: 261-2635

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

A range of RS PRO single row, deep groove ball bearings, offering versatility and overall high performance. RS PRO sealed ball bearings are fitted with two synthetic rubber seals to prevent dirt and other items entering the bearing. These ball bearings are primarily intended for use where the inner ring rotates.
