Lockout tagout tags are OSHA compliant and communicate safety and lockout information at the point of need. These tags come in a variety of materials to suit your specific lockout/tagout (LOTO) needs. You can also create your own custom tag for an application specific message.

SAFETY WARNING TAG

- Made from PVC material.
- The tag indicates who is responsible for placing the lockout device and who is authorized to remove it or make changes to it.
- Can be written by erasable pen for repeated using.
- Other wording and design can be custom made.
