

# HAZCHEM EMERGENCY SPILL KIT

240L | 63G

**FEATURES & BENIFITS :**

This large HC | Chemical Spill kit is to control and contain medium size spillages involving corrosive chemicals, acids, bases, coolant, and other hazardous liquids. Often used in laboratories and workplaces handling chemicals, our chemical spill kit also absorbs oil, water, and coolants making it a perfect solution to thoroughly clean any type of unknown spills.

The sorbets you need for emergency chemical response are all inside the Chemical Spill Kit 120L & 240L Spill Bin. This includes a variety of sorbents to handle nearly any type of caustic, hazardous or unknown spill including acids, bases, solvents, and chemicals; Pr-packed in 120 Litre HDPE Spill Bin. Appropriate PPEs such as chemical-resistant gloves, splash-proof goggles, aprons as well as disposal waste bags are provided for proper disposal.

**COMMON LIQUIDS ABSORBED**

- > Aggressive Chemicals & Hazardous Fluids
