## RS PRO HSS Tap & Drill Set

RS Stock No.: 669-9404

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Introducing the 12 piece HSS (high speed steel) tap & drill set from our own brand RS PRO, a high quality and professional compact set ideal for a variety of DIY tasks. The combination of tap and drill bits is perfect for creating holes and thread cutting or tapping in a range of materials when used with a hand or power tool such as a tap wrench or power drill. The 12 piece set features a high speed steel construction for enhanced durability and resistance to corrosion.
