RS Stock No.: See Table Below

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

Introducing the range of RS PRO Flat Wood Screws, a high-quality fastener solution for applications where a flush finish is required on plasterboard or wood panels. Each fastener is made from steel with a zinc coating, making them much more cost-effective than their stainless-steel counterparts, while offering a high level of protection against surface rust and oxidation.

#### Applications:

- Carpentry construction like decking, railings and small frames
- Building work and construction
- DIY
