RS Pro Empty Cable Reel 40mm (H) x 120 mm (W) diameter 380mm in Steel

RS Stock No: **379-3705**

Product Details

RS Pro empty cable reel in blue colour, is made of steel. It measures 40 x 120 mm and has a diameter of 380 mm. This cable reel features heavy duty cable drums and a steel (CR-S) construction. This model is mounted on a rugged tubular steel frame and have a friction brake with an integral winding handle. The large hub diameter ensures that the minimum bend radius of the cable is not exceeded when wound onto the reel, thus protecting the cable and preventing kinking. The CR-S model is made of steel with a removable plastic hub plate that can easily be cut to accept panel mount connectors.
