RS PRO 18 piece Masonry Twist Drill Bit Set, 3mm to 10mm

RS Stock No.: 511-9676

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The 18 piece set of masonry, steel and wood drill bits from RS PRO features drill bits in sizes ranging from 2mm to 10mm, ideal for use in a wide range of electrical installation and maintenance work applications. These high quality drill bits are manufactured from HSS (high speed steel) ensuring excellent durability and strength. The drill bits are compatible with power tools such as drills and hammer action drills, ensuring quick and efficient drilling in a variety of masonry materials such as concrete and brick as well as wood and steel. The RS PRO 18 piece masonry, wood & steel drill bit set is supplied with a durable storage case with easy access, ensuring the bits are organised and protected when not in use.
