

420EL

Electric-powered 2000W chainsaw with 16" bar for private use, or by non-garden professionals such as carpenters and electricians. Offers supreme overall performance, manoeuvrability and ergonomics, thanks to excellent cutting performance, robust design and slim body. High chain speed, 5 metre cord, comfortable soft-grip 90° front handle and convenient tool-less chain tensioning make it ideal for homeowners, indoor use and craftspeople.

EASY TO HANDLE

The engine is positioned lengthwise for a slim, easy-to-handle saw.

TOOL-LESS CHAIN TENSIONING

Quick and easy chain tensioning and assembly of bar and chain without any tools.

WINDOW FOR OIL LEVEL

Transparent window makes it easy to check chain oil level.

ERGONOMIC HANDLE

Ergonomically shaped handle for greater comfort and easy access to the controls.

Features

- High chain speed

Technical data
