RS PRO Carboflow F7 12x24x25

RS Stock No.: 2551491

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The Carboflow Range of combination filters are essentially two filters in one. Designed for use in city environments where the air quality is sub optimal these filters offer a high performance solution to a modern problem. These filters can be fitted in existing bag filter installations.
