

FEATURES

- Set of unprinted wash bottles that contain one each of red, yellow, blue, green and orange cap
- Wide mouth for easy filling

Features an integral spout and inner tube that eliminates the need to place the inner tube down when refilling, minimising the risk of contamination

- Vented cap with membrane allows venting and prevents pressure build ups.
- Colour coded vented caps with PTFE membrane for ease of identification and contents
- Precision jet tip for fine control
- Moulded graduations for approx. volume measurements

Note: Solvent wash bottles should not be used as storage bottles.
