# RS PRO Spill Control Industrial Storage Tray

RS Stock No.: 893-0362

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Introducing the RS PRO Spill Tray, a high-quality solution to liquid storage and spill containment. This spill tray is made from highly durable and sturdy polyethylene material, which is also UV resistant making the tray suitable for outdoor use. This corrosion-free and sturdy spill tray is an ideal solution for managing spills and mildly hazardous substances and is versatile enough to use at home or in working and industrial environments.
