RS Pro 250g Round Chrome Plated Zinc Soft Faced Hammer

RS Stock No: **381-4701**

Product Details

RS Pro hammer with round head, is made of chrome plated zinc and it weighs about 250 g. A soft faced hammer, with which powerful blows may be struck without damage to materials, e.g. polished and treated surfaces during panel and equipment assembly. It is supplied with two screws fitted on nylon faces. It will not embrittle and will withstand harsh hammering treatment. The serrations in the chrome-plated zinc head prevent the faces from loosening in use.

Features and Benefits

- Head diameter of 25 mm
- All sizes have cellulosed ash handles
- The other is a grey soft PVC face that is very resilient and shock absorbent for use on more delicate and fragile parts
- The nylon face is highly water resistant
- Weighs 250 g
- Made from chrome plated zinc
- Ash wood handle
