

Datasheet

RS Pro T-Tap Wire Splice Connector, Yellow, Insulated 12 AWG

RS Stock No: **510-4854**

Product Details

RS Pro T-tap wire splice connector in yellow colour, is insulated and has wire size of 12 AWG. This quick splice IDC wire splice connector made from brass with colour coded nylon insulation. This quick splice provides a simple and time saving wire connection method. The splice is simply placed over the existing wire, the additional wire inserted and the block crimped can then be crimped with pliers. This IDC quick splice is available for inline and T-tap wire connections and accepts various wire and tab sizes.

Features and Benefits

- Quick splice IDC wire splice connectors made from brass with a colour coded nylon insulation
- Quick splice provide an simple and time saving wire connection method
- Splice is simply placed over the existing wire, the additional wire inserted and the block crimped can then be crimped with pliers

**Specifications:**

Colour	Yellow
Contact Material	Phosphor Bronze
Insulation	Insulated
Insulation Material	Nylon
Shrouded	Shrouded
Splice Type	T-Tap
Maximum Wire Size (AWG)	12 AWG
Maximum Wire Size (mm ²)	4 mm ²
Overall Length	37 mm
Wire Size	12 AWG
Current Rating	35 A
Temperature Rating	+105°C
Voltage Rating	600 V
Width	9.8 mm
