

## FEATURES

- Non-release ratchet lock action
- Suitable for a multitude of uses
- Easy to thread
- Manufactured from Nylon 66 material
- Suitable for binding components or cable
- Packs available in 7 sizes
- The pack is available in seven sizes

# RS PRO Assorted Nylon Cable Tie, 203mm x 2.5mm

RS Stock No.: 233-540

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

RS PRO coloured cable ties are a type of fastener used for holding items together, most commonly electrical cables or wires. These cable ties are made from Nylon 66 (also known as nylon 6.6) and are a one-piece, self-locking fastener that functions like straps to keep cables tidy. Each pack contains 250 non-releasable cable ties, comprising 50 each of yellow, blue, red, green and orange to enable colour coding of cables or components. Ideal for cable and wire management. The design of a cable tie includes a head which provides the slot for the tape to be pulled through, to make a loop. The cable can be pulled through the slot until the preferred loop is achieved and then the excess cable can be cut off.

## General Specifications

<b>Type</b>	Non-Releasable
<b>Colour</b>	Assorted
<b>Material</b>	Nylon 66
<b>Application</b>	Bundling wire together, Automotive industry, Transportation, Aerospace Industry, Oil and Gas industry, Cable management, Home/DIY
<b>Minimum Operating Temperature</b>	-50°C
<b>Maximum Operating Temperature</b>	85°C
<b>Fire Behaviour</b>	Flame Retardant
<b>Quantity</b>	250

## Mechanical Specifications

<b>Length</b>	203mm
<b>Width</b>	2.5mm
<b>Tensile Strength</b>	78.4N
<b>Maximum Bundle Strength</b>	55mm

## Approvals

<b>Standards Met</b>	UL 94 V-2, RoHS Compliant
