ENGLISH

RS Pro Adapter For Use With 9 Position D-sub Connector

Product Details:

Filtered Adaptor

Provides equipment with effective EMC

Incorporates 1000pF ceramic capacitors

Designed as a plug and socket interface to fit any standard sub-miniature D connectors

Supplied with

Two 4-40 UNC jack screws

Filtered 'D' Adaptors

- Designed to limit cable borne EMI via a 1000pF capacitor from each contact to ground
- Enhances rejection levels in VHF & UHF bands
- Bright tin finish on steel backshells shields against RFI/EMI and the potted construction allows use in hazardous environments
- Gold plated turned pin contacts
- Suitable for military, industrial or commercial applications and computer interfacing etc.

Specifications:

ENGLISH

Accessory Type: Adapter
For Use With: 9 Position D-sub Connector

Current rating	5A max.
Working voltage	100Vdc
Attenuation	20dB min. @ 100MHz
Operating temperature range	-25°C to +125°C
