

## FEATURES

- Accurate regulation of air flow
- Fine adjustment
- 360° rotation
- One touch design
- Instant tube connection

## RS PRO Speed Controller

RS Stock No.: 2351185

### Product Description

Part No.	Tube OD	Thread
2351185	4 mm	M5

## Features

- Accurate regulation of air flow
- Fine adjustment
- 360° rotation
- One touch design
- Instant tube connection

## General Specifications

<b>Working pressure</b>	-14 to 150 psi
<b>Working temperature</b>	-5°C to +60°C
<b>Recommended tubing</b>	Nylon, PU, PE
<b>Working medium</b>	Air, water (not drinking water)

## Materials

<b>Body</b>	Brass
<b>Seals</b>	NBR
<b>Release sleeve</b>	Brass
