RS PRO Pleated Panel 20x20x1

RS Stock No.: 2560595

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS Pro pleated panel filter is a standard capacity disposable product offering a better than basic level of filtration, or pre-filtration in HEVAC applications. This product is made using patented filter media, which delivers a constant level of filtration performance throughout its life and a water repellent card frame.
