

FEATURES

- Ideal for bonding, attaching and mounting
- Tape system is versatile, convenient, quick and easy to use
- Designed for irregular surfaces
- A soft pressure sensitive adhesive system

RS PRO Grey Foam Tape, 12mm x 30m, 3mm Thick

RS Stock No.: 205-0928

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This exceptional RS PRO Grey Silicone double-sided foam tape produces a very high cohesive strength which produces a very high bond strength and high load capacities thanks to a general adhesive. It features a strong initial adhesion and great holding power to a variety of materials.

General Specifications

Backing Material	PVC
Colour	Grey
Single/Double Sided	Double Sided
Adhesive Material	Acrylic
Applications	Air Conditioning, Aircraft, Automotive, Marine, Sealing, Telecommunications

Mechanical Specifications

Width	12mm
Thickness	3mm
Length	30m
Foam Density	165 → 260kg/m ³
Tensile Strength	64N/cm
Compression Set (25%/22h/23°C)	30%

Operation Environment Specifications

Minimum Operating Temperature	-30°C
Maximum Operating Temperature	70°C

Approvals

Compliance/Certifications

RoHS Certificate Of Compliance
