# RS PRO Stainless Steel E Type Circlip, 9.5mm Shaft Diameter, 7mm Groove Diameter

RS Stock No.: 209-6873

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Use these external circlips from RS PRO as an alternative to bulky fastener assemblies. They're ultra-compact and will fit snugly around shaft or bore components.

Two circlip kits are available

Kit 1 (RS 278-360) contains small sized clips and Kit 2 (RS 278-376) contains large sized clips in both cases.
