

## Features

- Standard thread shape for easy installation
- Fiber optic head made of stainless steel, high durability
- Suitable for installation in small spaces with high detection accuracy

## RS PRO Optical Fiber

RS Stock No.: 252-2101

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## General Specifications

Detection method	Through beam detection
Minimum bend radius	R25
Diameter	M6
Minimum objects	Φ0.5
Detection distance(mm)	FINE:300 TURBO:500 SUPER:800
Length	1 meter
Sensing distance-FD1(mm)	280

## Additional Information

Custom Tariff Number/HS code	903180
