

FEATURES

- Impedance of 50 ohms
- Strong black sheath
- High Performance cable assembly
- Terminated at each end with high quality SMB connectors

RS PRO Black Male SMB to Male SMB RG174 Coaxial Cable, 50 Ω

RS Stock No.: 526-0443

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From the trusted brand RS PRO, comes a range of high quality Male SMB to Male coaxial cables. Constructed out of industry-standard components, these flexible cables feature a Male SMB connector on either end, designed to carry signals over long distances and are easy to install. Various lengths offered in this range of coaxial cables. 300mm (5260443), 1m (5260465) and 500mm (5260459)

General Specifications

Coaxial Type	RG174
Connector A	Male SMB
Connector B	Male SMB
Terminated/Unterminated	Terminated
Sheath Colour	Black
Applications	Connecting radio transmitters and receivers with their antennas, Computer network (Internet) connections, Feeding satellite signals through to your TV.

Electrical Specifications

Characteristic Impedance	50 Ω
---------------------------------	-------------

Mechanical Specifications

Length	325mm
Cable Shape	Coaxial

Item	Material
Insulation	PTFE

Operation Environment Specifications

Operating Temperature Range	-40°C to 85°C
Minimum Operating Temperature	-40°C
Maximum Operating Temperature	85°C

Approvals

Compliance/Certifications	EN61340
Standards Met	MIL-STD-348A
