

## Datasheet

### IEC Inlet

RS Stock number 811-7238

### Specifications:

Contact Resistance (Initial):

10mΩ max.

Approvals:

UL(C, US), VDE, CE

Reference Standard:

IEC 60320-1

Mounting:

Panel, Snap-in type

Terminals:

Solder-type / Fast-on 6.3 X 0.8

Panel Thickness:

Standard - 1.5, Other on Request

Permissible temperature - For soldering:

270°C for 5 sec. max.

Permissible temperature - With/without load:

0 to 70°C

Material - Terminals:

Copper Alloy, Tin plating

Material - Body:

Nylon-6 20% GF V2

HV Breakdown test for 1 Minute:

2 KV AC

Insulation Resistance at 500 VDC:

1000MΩ Min.

Current & voltage rating:

16 Amp (VDE), 20 Amp (UL, C,US), 250 VAC

Unit: mm
