

FEATURES

- Self locking
- Fast and easy to install
- Can be tightened by hand or tool
- Available in wide choice of colours
- Fastener for holding item together

RS PRO Metallic Polyester Coated Stainless Steel Roller Ball Cable Tie, 360mm x 7.9mm

RS Stock No.: 547-4377

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Manufactured from stainless steel, these ties have excellent resistance to abrasion, corrosion, radiation, weathering and extremes of temperature. They have a greater load carrying capacity and may be used for general strapping applications. With the RS PRO wide range, there are a variety of sizes and lengths to suit all your requirements in both black and metallic.

General Specifications

Type	Roller Ball
Colour	Metallic
Material	Polyester coated Stainless Steel
Application	General Strapping Application, Marine, chemical, oil & gas, Maintenance
Resistant To	Corrosion, radiation and abrasion, weathering
Minimum Operating Temperature	-80°C
Maximum Operating Temperature	150°C
Fire Behaviour	Halogen Free, Flame Retardant
Quantity	100

Mechanical Specifications

Length	360mm
Width	7.9mm
Tensile Strength	539N
Maximum Bundle Strength	100mm

Approvals

Standards Met	DNV, Lloyd's, UL, ABS
