RS PRO General Purpose Enclosures-Light Grey ABS Enclosure

RS Stock No.: 186-2265

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO Hermetically Sealed Enclosure IP65

This range of hermetically sealed enclosures from our trusted and reliable own brand RS PRO provides an airtight electronic enclosure suitable for protecting electrical parts and components. The hermetic enclosure is quick and easy to install and is ideal for mounting to flat surfaces in a variety of environments that require a hermetic enclosure for electronic components. The enclosure is made with a durable ABS plastic that protects the internal components from dust and moisture. This cost-effective RS PRO enclosure is also supplied with a silicone gasket for an airtight hermetic seal, brass inserts and screws for an easy and secure installation.
