ENGLISH

# RS Pro Stainless Steel, Steel Hydraulic Check Valve, BSP 1/4

## Product Details

### Stainless Steel Check Valves

Stainless steel BSP in-line check valve.

- Metal to metal seal by means of a machined cone
- BSP female thread forms

## Specifications:

Manufacturer Series:	FT257
Connection Port Thread:	BSP 1/4
Maximum Flow Rate:	110L/min
Body Material:	Stainless Steel, Steel
Maximum Operating Pressure:	400 bar
Thread Standard:	BSP
Thread Size:	1/4 in
Minimum Operating Temperature:	-20°C
Maximum Operating Temperature:	+200°C
