RS PRO 90 mm Wire Stripper, 0.1mm → 9mm

RS Stock No.: 663-437

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this convenient ring-style cable stripper is ideal for use with mains cables. The wire stripper is able to auto-adjust for different outer jacket sizes, meaning that you don't have to waste any time adjusting the blade setting. Simply attach to the cable and rotate to cut with the ring blade, removing the insulation while retaining the conductor.
