RS Pro DIN Rail Enclosure, Polycarbonate, 75 x 22.5 x 98.5mm

RS Stock No: **243-3632**

Product Details

RS Pro DIN rail enclosure measures 75 x 22.5 x 98.5 mm and has polycarbonate construction for added durability. The easily removable front cover easily adapts for external components such as indicators or switches. The performed pins allow simple connection from PCB to terminals.

Features and Benefits

- Constructed from fully insulated polycarbonate to UL 94V-2
- Preformed pins allow simple connection from PCB to terminals
- Equipment can be fully assembled prior to location in housing
- Captive self locking terminal screws give high resistance to vibration
- Front cover easily removed and can be drilled or adapted for external components such as indicators or switches
- Integral guide rails for PCB location in multiple positions
- Removable front cover

Specifications:

Body Material	PC
Colour	Grey
