

Experience the Comfort of 3M™ Reusable Ear Plugs

New innovations...

- Softer material provides improved wearer comfort
- Translucent blue color appeals to a variety of users
- Now available in two corded options — braided and plastic — for easy access and to help prevent loss

...plus the same great features we've always had...

- 3-flange design fits securely in the ear
- Finger grip stem for easy insertion and to help keep ear plugs clean
- Elastic material does not contain silicone, so earplugs may be used in sensitive work environments, such as automotive painting
- Noise Reduction Rating (NRR) of 25dB*
- One size fits most ear canals

...add up to a BETTER earplug for your hearing protection!

Workplace Applications

Ideal for applications such as metal processing, construction, chemical and pharmaceutical manufacturing, light engineering, automotive manufacturing and repair, textile manufacturing, printing, woodworking.

Available with a convenient storage case that can easily clip to a belt buckle for quick access and safekeeping!

Be able to communicate with co-workers, yet stay protected.

Technical Information

NRR* = 25 dB (ANSI S13.19-1974)
 NRR (SF) = 15 dB (ANSI S12.6-1997-B)
 SNR = 21 dB (EN 24869-1)
 SNR(SF₈₄) = 19 dB (CSA Z94.2-02) Grade 3 Class AL
 SLC₈₀ = 20.1 dB (AS/NZS 1270-2002) Class 3

*The NRR may overestimate the protection provided during typical use. 3M recommends reducing the NRR by 50% for estimating the amount of noise reduction provided. See packaging for details.

WARNING: HEARING PROTECTION PRODUCTS

These hearing protection products help reduce exposure to certain noises. To provide proper protection, the hearing protector should be 1) suitable for the job, 2) fitted properly in/on the ear, 3) worn during all times of exposure to noise and 4) replaced when damaged or otherwise necessary. **Misuse may result in hearing loss or injury.** Do not use this product while sleeping. For proper use, see supervisor, product instructions and warnings or call 3M OH&ESD Technical Service at 1-800-243-4630. In Canada, call 1-800-267-4414.

3M Hearing Protection Products Reusable Ear Plugs – The 1290 Series

Softer, more comfortable 3M™ Reusable Ear Plugs.

At 3M, we like to make good things even better. And that's just what we've done with our new, translucent blue 3M Reusable Ear Plugs.

We've made them softer for better comfort, while keeping the noise reduction performance you need. And for user convenience and preference, there are two corded options from which to choose: a soft braided cord and a plastic cord.

Finally...a more comfortable, convenient way to get the hearing protection you need.
