RS PRO ESD Adapter With 10 mm Stud to 4 mm Banana Socket

RS Stock No.: 129-4947

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO anti-static stud fix adaptor ideal for workplaces where sensitive electronic equipment must be protected from static electricity. RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too. RS PRO have a great range of ESD grounding accessories including bonding plugs, bonding boxes, bonding brackets and cords plus many more to help eliminate the build-up of static discharge which can be a risk to static sensitive components or devices.

General Specifications

Accessory Type	Adapter
Connector Type	10 mm Stud to 4 mm Banana Socket
Complies with EN 61340-5-1	Yes
