RS PRO PLAIN RING GATE LATCHES

RS Stock No.:
8946765,8946771,8946774,8946777

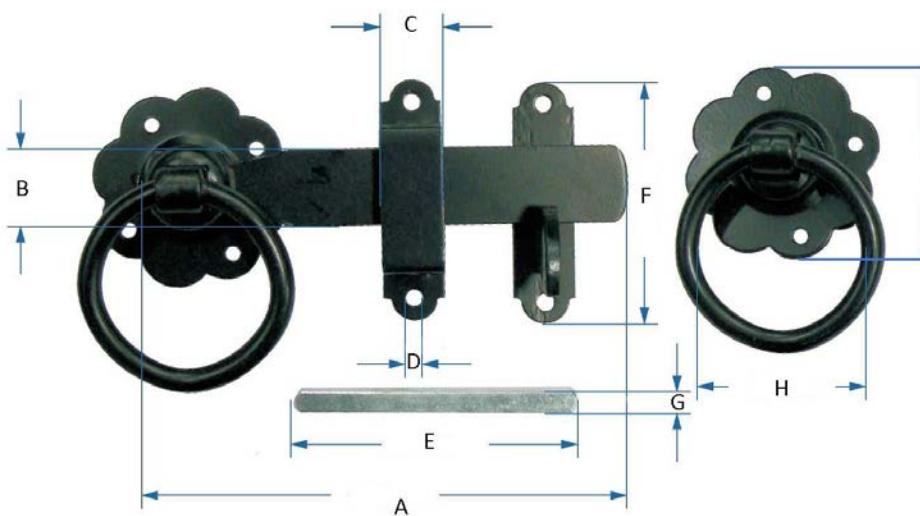

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

- *Ring gate latches are a simple and cost-effective way of keeping a gate securely closed. They work by simply turning the plain ring design handle to lift the latch out of the catch, or lower the latch into the catch. They can be operated from both sides of the gate.*
