

FEATURES

- Available in multiple colours and sizes
- Quick and easy to fix either by hand or a tensioning tool.
- Suitable for binding components or cable
- Suitable for a multitude of uses
- Easy to thread

RS PRO Green Nylon Cable Tie, 203mm x 2.5mm

RS Stock No.: 233-354

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The design of a cable tie includes a head which provides the slot for the tape to be pulled through, to make a loop. The cable can be pulled through the slot until the preferred loop is achieved and then the excess cable can be cut off. When threaded through the slot, the teeth of the cable form a lock which can't be pulled back through. These coloured nylon cable ties should be an essential part of every toolkit. With the RS PRO wide range, there are a variety of sizes and colours to suit all your requirements.

General Specifications

Type	Non-Releasable
Colour	Green
Material	Nylon 66
Application	Automotive industry, Transportation, Aerospace Industry Oil and Gas industry, Cable management, Home/DIY, Bundling and Organising cables and wires
Minimum Operating Temperature	-50°C
Maximum Operating Temperature	85°C
Fire Behaviour	Flame retardant
Quantity	100

Mechanical Specifications

Length	203mm
Width	2.5mm
Tensile Strength	78.4N
Maximum Bundle Strength	55mm

Approvals

Standards Met	UL94-V2
