

FEATURES

- High strength adhesive backing to ensure long seal life
- Pre-cut plastic foam strips
- Ideal for bonding, attaching and mounting
- Designed for use on irregular surfaces

RS PRO White Foam Tape, 12mm x 150mm, 0.8mm Thick

RS Stock No.: 512-856

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This exceptional RS PRO White Polyethylene (PE) double-sided foam tape produces a very high cohesive strength which produces a very high bond strength and high load capacities thanks to a pressure-sensitive rubber adhesive. It features a strong initial adhesion and great holding power to a variety of materials. Supplied in pre-cut plastic foam strips on a continuous roll.
