

Helping Hands With 4X Magnetic Arms

Features

- Free up your hands for improved soldering precision and flexibility.
- Four magnetic gooseneck arms with crocodile clips secured to the base for multiple configurations
- Easily reposition the magnetic gooseneck arms to hold your project for improved precision and flexibility
- Coated clips reduce the possibility of damage while holding projects securely in place
- Strong, powder-coated steel base with non-slip feet supports various small to large soldering tasks
- Suitable for PCBs, wires, stained glass, arts and crafts, or other general-purpose applications
