## RS Pro Straight RF Adapter MCX Socket to SMA Socket

RS Stock No: **738-5800**

### Product Details

RS Pro straight RF adapter has MCX socket and SMA socket connecting ends that is 23.3 mm long. The straight RF adapter features beryllium copper contact with gold.

### Features and Benefits

- Gold plated contacts
- Beryllium copper contacts
- 23.3mm long

**Specifications:**

|                       |                          |
|-----------------------|--------------------------|
| Adapter Type A        | MCX                      |
| Adapter Type B        | SMA                      |
| Adapter Type          | MCX Socket to SMA Socket |
| Body Orientation      | Straight                 |
| Body Plating          | Gold                     |
| Contact Material      | Beryllium Copper         |
| Contact Plating       | Gold                     |
| Gender A              | Socket                   |
| Gender B              | Socket                   |
| Impedance             | 50 $\Omega$              |
| Length                | 23.3 mm                  |
| Operating Frequency   | 6 GHz                    |
| Body Material         | Brass                    |
| Insulation Material   | PTFE                     |
| Operating Temperature | -55 to +155°C            |
| Voltage Rating        | 335 V                    |
