

TECHNICAL DATA SHEET

Stock No. 189-0070

RS PRO Oil Only 210L Spill Kit in 2 Wheeled Bin

Oil Only absorbents are generally white in colour. They are designed for selective recovery of oils and oil based fluids whilst repelling water, this can include fuels, lubricants (mineral and vegetable) and other hydrocarbon based fluids. All kits come equipped with a range of absorbent formats depending on the size of kit including disposal bags and ties. A total 'one stop' package for a quick and effective response to spillages.
