

Datasheet

**Type E - French 6 Gang DC Power Socket 2.5m
Cable, 16A, 230 V ac**
Stock Number: 756-0120

Description

1U 6 sockets power distribution panel with power indicator PDU allow securized power distribution for all types of electrical, electronical, data systems devices etc.

Specifications

- Socket type : NFC61-314 (socket 2)
- Socket quantity : 6

- Cable specification : Cable HO5VVF 3G 1.5 with DIN 49441 16 Plug, 2.5M

- Control function : power indicator

- Rating voltage : 230VAC 50/60Hz

- Max. Power : 16A, 3680W

- Product size : LxWxH = 482.6 x 44.4 x 46.5 mm

- Vertical and horizontal mouting

- RoHS
