RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Our own brand RS Pro black die-cast, aluminium handles provide an attractive and professional matte look. Our drawer handles are pieces of door hardware that are commonly attached to the outside of a drawer, cabinet or cupboard - this is to allow a user to easily open or pull and close the door or drawer to access the contents inside.
