RS PRO General Purpose Enclosures-Die Cast Aluminium Enclosure

RS Stock No.: 517-4308

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO IP65 Diecast Aluminium, Powder Coated Enclosures

Introducing the aluminium powder coated aluminium enclosures from RS PRO, a series of high standard watertight enclosures. The enclosures are manufactured with aluminium alloy and a smooth finish with an IP65 rating, providing maximum protection for housing electrical components. The enclosure includes a lid and base with a continuous neoprene gasket to prevent dust and liquid entering the enclosure. These high standard and versatile enclosures can be used indoors and outdoors, providing excellent protection of internal electrical components in a range of applications.
