**RS Pro PE Oil Drain Pan, 8L**

RS Stock No: **851-7600**

## Product Details

RS Pro oil drain polyethylene pan made for the recovery of oil and antifreeze. It can be used to pour into recycling containers. This heavy duty pan is an excellent choice for a garage, workshop or home user to keep the workplace clean and oil residue and spill free. It has a capacity of 8 L.

## Features and Benefits

- Suitable for parts cleaning operations with emulsifiable solvents
- Made from high density polyethylene with UV stabiliser
- Heavy-wall construction stays rigid, even with hot oil
- Excess capacity helps prevent overflow or spillage
- Resistant to most chemicals and solvents
- Will not dent or rust and are easy to clean
- Large enough for single oil change
- Includes oil-pouring lip, hanging hole and back-shelf with protruding stub for draining oil filters
- Not suitable for spray gun cleaner
