RS Pro 10 piece Diamond Impact Bit Set

RS Stock No: 125-0440

RS Pro 10 piece impact bit set offers the most popular screw bits in one handy set. Diamond Impact screw bits are specifically designed for use with conventional impact drivers with an impact effect function. The diamond coating allows the screw bit to 'bite' into the screw head which reduces the risk of cam-out or slippage. Also features TiN CVD coating which provides perfect wear protection and is ideal for harder screwing applications. With a Torsion style round shank to withstand exceptional torque peak loads, these bits are very hard wearing and give a long service life. Impact bit holder included.

Specifications:

- 1/4" Hexagon shank
- Bits are 25mm long

Kit Contents:

- 3 x Pozidriv Bits – PZ1, PZ2, PX3
- 3 x Phillips Bits – PH1, PH2, PH3
- 3 x Torx Bits – T20, T25, T30
- 1x Impact Bit Holder (magnetic with clip ring)
