

## Features

- Resistant to a wide range of fuels and oils
- Optimum flow maintained by the smooth bore
- Flexibility maintained even under cold-weather conditions
- Constructed for higher vacuums and pressures
- Standard colour: Blue, white helix

## RS PRO Hose Pipe, PVC, 51mm ID, 60.9mm OD, Blue, 5m

RS Stock No.: 917-5100

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

RS PRO medium weight PVC delivery hose specially developed for the suction and delivery of diesel, petrol and mineral-based oils/fuels. The hosing has been reinforced with a rigid crush and kink resistant white PVC helix making the hose tough and flexible. Optimum flow is achieved by the smooth bore.

## General Specifications

Maximum Working Pressure	7.3 Bar
Vacuum Mtrs H2O	9
Material	Flexible PVC
Working Temperature	-10°C to +55°C

## Mechanical Specifications

Internal Diameter	51.6mm, 2"
External Diameter	60.9mm
Wall Thickness	4.7mm
Weight Per Meter	1.04 Kg
Bend Radius	230mm
Length	5 M
