

FEATURES

- Non-release ratchet lock action
- Suitable for a multitude of uses
- Easy to thread
- Nylon 66 material
- Suitable for binding components or cable
- Cable ties are used as a type of fastener

RS PRO Yellow Nylon Cable Tie, 203mm x 3.6mm

RS Stock No.: 404-540

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO fluorescent cable ties are a type of fastener used for holding items together, most commonly electrical cables or wires. Fluorescent cable ties are ideal for use in confined spaces where there is little light available to identify the colour. These ties are a one-piece, self-locking fastener that functions like straps to keep cables tidy. They are available in 3.6mm widths and 200 mm lengths with a choice of 5 colours (pink, green, blue, yellow and orange). The coloured ties enable colour coding of cables or other components.

General Specifications

Type	Non-Releasable
Colour	Yellow
Material	Nylon 66
Application	Automotive industry, Transportation, Aerospace Industry, Oil and Gas industry, Cable management, Home/DIY
Quantity	100

Mechanical Specifications

Length	203mm
Width	3.6mm
Tensile Strength	176.4N
Maximum Bundle Strength	52mm
