500mm PE Traffic Cone with 290mm Sign

Feature:

Polyethylene Traffic Cones to 'engineers standard'. These cones are great for events, in private car parks and to help designate specific spaces and warn of hazardous areas.

The addition of the sign enables you to guide traffic or to provide warning of approaching hazards.

Not for use on public highway.

- Vibrant colour with reflective tape
- Sturdy and durable
- Useful handle on top for easy carrying
