RS Pro RS-008

8 Port 10/100 Ethernet Switch

Stock Number: 2263243

Specifications:

- Power Consumption: 1.5 Watts Max : 300 mAmps@+5VDC/50mAmps@+30VDC
- Power Supply input: Unregulated +5V to +30Volts DC, reverse polarity protection
- Operating Temperature: -10°C to +60°C / +14°F to +140°F
- Ethernet Ports: 8 x RJ45 jack, 10/100Mhz autosensing, crossover auto sensing (Auto MDIX)
- Unmanaged 10/100Mbps Ethernet
- Housing: IP-30 rated non-conducting polyamide case with Easy Wire Removable screw terminal block
- Weight: 0.134 kg, 4.73 oz.
- Dimensions: 107x102x28 mm, 4.2x4.0x1.1 In.

Features:

- 8 Port 10/100 Mbs Ethernet Switch
- Redundant dual power inputs: +44V to +57Volts DC
- No software required - Simply plug in and connect
- Industrial temperature range
