

## FEATURES

- Flexible 1/4 inch coolant hose
- National pipe threaded (NPT) valve
- Length of 41 mm
- Height of 31 mm
- Made from acetal copolymer/polyoxy methylene
- Electrically non-conductive
- Resistant to chemicals
- Resistant to rust

## RS PRO 1/4in NPT Valve

RS Stock No.: 623-5280

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

This flexible coolant hose valve from the RS PRO series allows for the easy management of liquid or airflow with its twistable on / off control. Suitable for applying coolant in liquid and air applications – such as water pipes or boilers – the national pipe threaded (NPT) valve closes tightly. Thanks to its tapered thread, it creates a fluid-tight seal.

## General Specifications

<b>Type</b>	NPT Valve
<b>Systems</b>	1/4in
<b>Material</b>	Acetal Copolymer
<b>Kit Contents</b>	5 1/2 in Hose (x2)

## Mechanical Specifications

<b>Total Length</b>	41mm
<b>Size</b>	1/4in
<b>Height</b>	31mm
<b>Thread</b>	1/4" NPT

## Approvals

<b>Compliance/Certifications</b>	EN61340
