RS PRO Snow Shovel with Wooden Handle

Stock No: 2167840

Features & Benefits:

- Heavy duty scoop with large surface area to clear snow from driveways, car parks and paths with ease.
- Non stick surface aids the moving of snow or other materials without sticking to the scoop.
- The co-polymer construction makes the scoop durable and works in all weathers. It does not become brittle and break.
- Fitted with a strong and durable wooden handle.

Dimensions:

Height	1405 mm
