

## FEATURES

- External temperature probe with cable.
- Message/APP alarm for high/low temp/Humidity.
- Micro USB power.
- Beeper and LED light indication.
- High/Low temperature alarm
- Data upload period can be setting
- App software, monitor/download/printing recorded data

## RS PRO Temperature & Humidity Meter

RS Stock No.: 2369191

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

# Temperature & Humidity Meter

## Product Description

The 270KT Food safety type-k thermometer in the food sector, cooling chain compliance has to be checked and verified. The ambient conditions may also have an influence on product quality. This makes continuous monitoring of temperature and relative humidity in the warehouse essential.
