RS Pro Case, 125 x 425 x 300mm

Product Details

ABS Transit Cases

Manufactured from 3mm thick ABS with a robust aluminium frame, toggle locks (2 keys provided), self-locking lid stays, comfortable carrying handle and floor standing feet. The cases are ideal for the protection and transportation of sensitive pieces of equipment and samples. Each case is supplied with blue brushed nylon covered foam inserts which may be easily cut to provide shaped cut-outs for specific requirements.
